To our incredible donors,

We are truly humbled by your generous donations to Sarah's Mission Inc. Nonprofit organization. Your support means everything to us as we work towards honoring and remembering mothers through spreading love and awareness in our community. With your contributions, we will be able to make a real difference in the lives of mothers at our upcoming 12th Annual Mother's Day Luncheon. Your donations will help us celebrate and honor these incredible women for all that they do.

Additionally, your support will also help us in our mission to fight against illiteracy by personalizing children's books to encourage the joy of reading. Your belief in our cause is truly inspiring and we are grateful for your commitment to making a positive impact in our community.

Thank you for standing with us and for showing that businesses like yours care about supporting nonprofit organizations. Together, we are making a difference and spreading love and awareness in the lives of those who need it most.

With heartfelt gratitude,

Rhonda White/Founder
Sarah's mission Inc. - Nonprofit Organization
